feel great

Natural Beauty

Why use harmful chemicals when you can make use of what Mother Earth has given to us? Look good and feel good the natural way with these organic beauty products which you can add to your daily regime.

BY RACHEL YOHANNAN

Body Lotion:

Deep Steep Lavender Chamomile Body Lotion
(49.90) The Naturalist Grandeur

Infused with the organic goodness from aloe vera, lavender, chamomile, and sunflower seeds, this lotion replenishes moisture and also calms the senses with its fragrance.

Lip Balm:

Shari's Bliss Intensive Lip Balm
(5.54) Sephora

While taking care of the rest of your face, it's important not to neglect the lips. This lip balm is 100% natural and has a fresh peppermint scent.

Facial Scrub:
Hollybeth Organics Grits & Honey Facial Scrub
(79.90) The Naturalist Grandeur
Honey tastes great, and it's good for your skin too. Exfoliate away your impurities and have your skin smell as sweet as honey with this scrumptious scrub.
